

Spring 2023 Free Yard Waste Pick Up

Wednesday April 26, 2023

**Two Mile, Three Mile, IR 17,
Ponderosa Heights, Loring Way and Kent Road**

Time: 10:00 am to 2:00 pm

This is a pilot program to introduce a free, yard waste pickup day to help neighbourhood properties remove vegetation that is generated from spring yard cleaning and tree pruning. It is important that these fuels are removed away from houses and yards as we prepare for the upcoming wildfire season.

- **THIS FREE PICKUP IS FOR ORGANIC YARD WASTE ONLY**
- **THERE MUST NOT BE ANY HOUSEHOLD GARBAGE INCLUDED**
- All vegetation must be placed roadside by 8:00 am on April 26th, 2023
- Do not block the road with any bags or branches
- All bags must be transparent allowing the contents to be visible.
- Any bags weighing more than 50 lbs will not be picked up.
- Do not tie branches together with wire and pile thorns separately
- No branches or tree trunks more than 4" in diameter
- Tangled piles or excessive volumes may result in material being left behind.

Join us as we continue to help reduce the hazards away from your homes and community. If you require transparent lawn and leaf bags, bags can be picked up at the Lytton Fire Base or at the LFN Administration Office on April 24th and 25th.
