GRADES 3-5

The class worked in small groups to share their vision for the Village. It was impressive to see how the students had a progressive understanding of maps and how they translate to a real town. Staff provided them with maps of the Village and photos of possible uses/amenities they would like to see in the community.

Here are some key inputs received:

Shops:

- Corner Store
- Grocery Store
- Pharmacy
- Bakery
- Florist/Garden Shop
