

## *History*

---

Yellowhead Community Services Society (YCS), in partnership with Salvation Army and the Anglican Parish are pleased to announce the new Lytton Connection bus service.

With a generous donation of a bus and funding from Salvation Army and donation from the Anglican Parish and YCS we are able to launch this initiative to support Lytton and area residents access services in nearby communities.

This needed service was identified and supported by the Lytton Unmet Needs Committee. The service will operate on Wednesdays to Lillooet and Fridays to Ashcroft.

Please read the important information on the back of this brochure.

## **Lytton Connector - Transit**

## Important Information

**One Way Fare is \$2.00  
Or \$4.00 for round trip  
(Please Have Exact Change)**

We would ask riders and residents to please be patient as we work through the development of this system to more accurately reflect community needs.

We also ask that you please limit your cargo to only what you may fit on your lap safely during transit.

Flag Stop: The bus will stop for passengers at a safe location where the bus can pull off of the main road safely. If you reside near a designated flag stop please phone to advise that you require pickup.

In the event that ridership exceeds capacity we may adopt a booking system for riders.
