TLKemchEEn FireSmart Rebate Work Plan

Use this FireSmart Rebate Work Plan to tell us what you plan to do to help mitigate the risk of wildfire to your home. Use the Home Ignition Zone assessment report you received after your assessment to see the recommended mitigation actions and pick what you think is realistic and achievable to complete. Work with your Local FireSmart Representative to finish and approve this plan before completing work and applying for your FireSmart rebate. Please fill this form using the fillable PDF format and submit electronically via email.

Please contact firesmart@lfn.band for any questions and to submit this work plan.

Name:

Email:

Phone Number:

Address:

For Lytton First Nation/Village of Lytton residents to complete

Planned FireSmart mitigation actions:

Estimated timeline, hours, and expenditures to complete planned mitigation work:

For TLKemchEEn Local FireSmart Representative (LFR) to complete comments:

LFR name and date:

Please note:

- Approval of this work plan does not guarantee approval of rebate. A complete rebate application and follow up are required once the mitigation work is complete.
- Rebates are awarded on a first come first served basis while funds are available. The rebate application intake is from May 15 to October 31, 2025.
- Residents can continue to complete FireSmart mitigation work outside of the application intake and apply in following years.
- Only recommended work completed within 30m of the home is eligible for rebate.
