

WALKSHOP Comments

On October 28th the Village hosted a walkabout of downtown to identify special places or future improvements. Flags were dropped on the site with a comment.

O'Dwyer Park

- Needs landscaping
- Monument needs a rock
- Needs water fountain
- Better placement of furniture
- Signage with arrows to highlight surrounding mountain ranges
- Direction signs to/from Spint'lum Park
- Needs telescope

500 Fraser

- Sell or develop for housing

455 Fraser

- Use the ATCO trailer/housing

Hub Site

- Pool please
- Visitor Centre
- Green space in back
- Behind proposed hub site, the existing tree and view hosted many informal outdoor socials

Fraser Street South

- South end of Fraser CN Lands
- Improve as viewpoint park/maintain
- Benches
- Liked Fraser Street Boulevard south of First
- Old cemetery on West Lane, should be fixed up

Main Street

- Like Chinese History Museum and the retention of the trees
- Return of the grocery
- Roses return
- Outdoor seating
- Pocket Park
- Fix retaining wall at Pocket Park and extend landscaping to property line
- Replace Pocket Park tree with Christmas Tree
- Replace temporary washrooms with permanent, year-round and attractive washrooms

General Comments

- MoTT right of ways should be graded for maintenance
- Deal with weeds and unsafe sidewalks
