Unlocking Lytton's Past

# Rebuilding Lytton Area History

**An update from Lytton Museum & Archives - March 2026**

The Lytton Museum group held an open house and information event on Wednesday , March 18 at the Parish Hall. Lorna Fandrich kindly brought and set up displays of items which illustrated the kinds of things museums collect and display.

The 'Rebuild' Inaugural Meeting and Election for a new Executive was held the following day . The new Executive is:

Chair: Jo Johnson

Vice-chair: Marie Heaster

Secretary/Treasurer: MaryLou Campbell

Directors: Tom Peglow, Lorna Fandrich, Derek Kingston, Sam Allaby, Jade Baxter

Be involved with saving memories of the past. Memberships are still only \$10 and of course, donations are always appreciated.

To-date there are 30 paid members. Membership dues will be used for costs incurred once a museum space has been established.
